RE: STREET CLOSURE FOR REPAIRS

To Whom It May Concern:

The Public Works Department will be closing a portion of Tahitian Drive between Mauna Kea Lane and Mahalua Lane to repair a persistent pot hole on the west side of Tahitian Drive. To properly repair this persistent problem, Public Works will excavate the problem area and then place 8 inches of concrete in the south-bound lane of Tahitian Drive.

Vehicles traveling south on Tahitian Drive will have to detour onto Mauna Loa Lane or Mauna Kea Lane. Vehicles traveling north on Tahitian Drive will need to detour onto Mauna Kea Lane, Makaha Drive, or Kaanapali Lane.

Street closure will begin on Monday, February 22, 2010, and end by Monday, March 01, 2010, if not sooner. Please communicate this information to the residents and businesses in Tahitian Village as soon as possible. We apologize in advance for any inconvenience this may cause. If you have any questions, please do not hesitate to contact our office at the above telephone numbers.

Respectfully,

Jim Rebeck, Director  
Public Works, Parks, & Recreation
